Increasing our Membership

The success of any organization is dependent on continually adding new members to make our Society more vibrant and interesting. Can I ask every member to again do your best to invite a relative or friend along to Tauranga and refer them to our web site.

Visit the Founders web site

I encourage members to look at our "NZ Founders" web site every few weeks. Kathy is our National web master in Wellington.

New material for the Ancestors Board

Kaye is asking for members to submit new material for our Ancestors Board as some current material relates to people who have passed on.

Members 5 minute speeches

The Committee is keen for members who have not spoken before to be encouraged to give a 5 minute speech on their family history preferably before 1865 so email Ray if you are interested.
